New Paid Parking Program Dunnellon City Hall & Datesman Park

The City of Dunnellon has entered into a partnership with Safe Parc, LLC for parking site management at Dunnellon City Hall and Datesman Park. The goal of this partnership is to reduce the financial burden on taxpayers associated with maintaining the parking lots, boat launch, and related facilities at these locations.

How the System Works

Signage and License Plate Recognition (LPR) cameras will be installed at the entry and exit points of both locations. These cameras identify vehicle and boat trailer license plates upon entry and exit. Paid parking will be for a period of 24 hours. Signs will be posted throughout the parking areas for user convenience.

Each sign will include a **QR code** and a **toll-free number**. Users may scan the QR code, text the toll-free number, or call to process a payment. Users are not required to download a mobile application for payment processing. There will be no option for cash transactions.

City Hall Business Validation

There is **no fee** for parking while conducting official business at City Hall. If you are conducting business at City Hall and your visit lasts more than 30 minutes, please have your vehicle tag number available. Your parking will be validated at no charge.

Daily Parking Fees – Base Rates (applicable taxes and payment processing fees will apply)

City Hall Parking Lot	Datesman Park Overflow	Trailer Parking*
\$5.00 per single vehicle (without trailer)	\$5.00 per single vehicle (without trailer)	City Hall and Datesman Park \$10.00 per vehicle
At all times, 7 days per week	Saturday and Sunday	At all times, 7 days per week

*Trailer parking fee is in addition to boat launch fee.

Boat Launch Fees** – Base Rates (applicable taxes and payment processing fees will apply)

Daily Boat Launch Fee	\$10.00 per vessel
Non-Resident Boat Launch and Trailer Parking Permit	\$100.00 per year
City Resident*** Boat Launch and Trailer Parking Permit	\$25.00 per year

**Fees shall apply to motorized and non-motorized vessels.

***Proof of residency shall be required by uploading a photo of a valid Florida Driver's License.

Visit dunnellonboatlaunch.com to purchase an annual pass.

Installation & Implementation Timeline

Implementation activities are underway. For additional questions regarding the program, please contact Mandy Odom at modom@dunnellon.org, or call 661-727-5362.

- **April 1** – System will be operational in “test mode.” Users may interact and become familiar with the paid parking/launch system, but parking and launch fees will not be charged.
- **April 8** – Parking/Launch system goes live. Parking and launch fees will be charged.
- **April 15** – Violations for failure to pay and expired parking sessions will be issued in accordance with Chapter 66 of the City's Code of Ordinances.
